

# FITNESS

Hello,

We are so excited that you are thinking about scheduling a Fitness session. Here's some samples to give you an idea of what we do. Keep in mind we are professional photographers and we can do almost any type lighting style.

## Let's figure out your style and what you want!

We want to make sure that your shoot is what you want. We know It is very difficult for people to communicate styles of photography and portraits. We suggest that you go on Pinterest and make a board of different looks and posing that you like, tag us on your board or share it by sending us an email link.
